Dear Sir:

On January 2, 2002, a Notice to File Missing Parts of Nonprovisional Application ("the Notice") was mailed by the U.S. Patent Office regarding the above identified application. As shown by the copy of the Notice located at Tab 1, the Notice was received by the undersigned's firm on March 5, 2002, which is more than two months after the initial mailing of the Notice. Upon receipt of the Notice, the undersigned took steps to have the inventor in Germany execute the Declaration. The undersigned received the executed Declaration on April 4, 2002.

Your Petitioner is filing concurrently with the present Petition a Response to the Notice that includes a Petition for a two month extension of time and checks in the amount of \$110 and \$290 to cover the extension fee of \$400. Copies of the Petition for a two month extension of time and the two checks totaling \$400 are attached at Tab 2. Your Petitioner believes that they should not have to pay any extension fees for filing the Response to the Notice since the Notice was received after the two month extendible deadline of March 2, 2002 for filing a Response to the Notice had lapsed. It would be unfair to penalize your Petitioner for a delay that it did not cause. Accordingly, your Petitioner requests a refund in the amount of \$400 and that the refund be credited to the undersigned's firm's deposit

account 23-1925. Applicant also requests a refund of the \$ 130 petition fee being filed concurrently with the present Petition.

Respectfully submitted,
